**SUBJECT:** Amendment to tender condition for inviting bids for construction of 220/110/66KV Sub-stations / Lines including UG Cables and 400KV Lines on Partial / Total Turnkey basis in respect of restriction on the number of works on hand of individual bidder / consortium partner both in KPTCL and ESCOMs to become eligible to participate in the turnkey tenders in KPTCL.

**READ:** Resolution of the 84<sup>th</sup> Meeting of Board of Directors of KPTCL held on 04.12.2012. - Subject No.84/09.

**PREAMBLE:** In the 84<sup>th</sup> Meeting of Board of Directors of KPTCL held on 04.12.2012, the delay in execution of KPTCL projects due to various reasons other than the unavoidable ones like ROW problems, land acquisition, etc were discussed. It was noted that handling of more number of works by turnkey agency was affecting both the quality and timely execution of works due to issues in mobilization of resources, etc. Presently in the tenders being called for execution of KPTCL works, bids are considered irrespective of the total number of works being handled by individual bidder/consortium partner which might be hampering timely execution of works.

After deliberations, it was felt that it is necessary to restrict the number of works being handled by individual bidder / consortium partner to become eligible to participate in tenders in respect of works in KPTCL duly considering the works being carried out by them both in KPTCL and ESCOMs instead of works being carried out by them in KPTCL only. The matter was debated and it was decided to amend the Clause No.11.6.2.7 of Section-I : 'Invitation for Bid', Volume-I:'Commercial Requirements' in the standard 'Bid Document' to restrict the number of works on hand of individual bidder /consortium partner in participation of KPTCL tenders by considering the works being carried out by them both in KPTCL and ESCOMs.

Hence this Order.

**ORDER No: KPTCL/B19/1672/90-91**

**Dt.17.01.2013**

Approval is hereby accorded to amend Clause No.11.6.2.7 of Section-I : 'Invitation for Bid', Volume-I:'Commercial Requirements' in the standard 'Bid Document' in respect of restricting the number of works being handled by individual bidder / consortium partner both in KPTCL and ESCOM to become eligible to participate in the tenders for works in KPTCL as follows.
