Bangalore - 560 009.

**Preamble:-** KPTCL Vendor approval committee in its 29<sup>th</sup> meeting held on 11.03.2013 has noted that KPTCL is spending lot of its manpower/resources for scrutinizing the voluminous documents/credentials submitted by the vendors for enlistment in the vendors list. The vendor approval process involves lot of correspondence with the applicants and with other offices, inspection of the factory premises of the firm, assessment of manufacturing facilities, production and technical competence, employment and training, quality control and testing, design research and development, production capability, financial capability and performance assurance plan of the firms. The committee debated the matter in detail in its 30<sup>th</sup> meeting held on 01.06.2013 and has recommended for collection of non-refundable processing fee from the vendors of equipments/materials for new vendor enlistment and for renewal of vendor approval which involves processing of applications of vendors and to carry out inspection of factory premises of vendors for on-spot assessment of manufacturing facilities.

The recommendations of the Vendor approval Committee has been considered and it was decided to approve collection of non refundable processing fee for new vendor enlistment and for renewal of vendor.

Hence, this order.
