Bids not accompanied with the requisite tender processing fee and bid security are liable for rejection.

The bidders shall submit all the documentary evidences/supports in respect of qualifying requirements and other requirements through electronic mode only. Failure to furnish the documentary evidences/supports electronically would result in outright rejection of their offers.

The prospective bidders are advised to register in <https://eproc.karnataka.gov.in> by clicking on hyper link “Sign up”.

The bidder is required to ensure browser compatibility of the computer well in advance to the last date and time for receipt of tenders. The department shall not be responsible for non-accessibility of e-Procurement portal due to internet connectivity issues and technical glitches.

Any clarifications, if necessary, can be had from the office of the undersigned, during office hours on all working days prior to the date of opening of Tender.

Superintending Engineer Elecl.,
W&M/M Circle, KPTCL

-----,
-----,

INSTRUCTIONS TO BIDDERS

1. **a.** The tenderer should possess a valid class-1 or Super Grade Electrical Contractor License issued by the Government of Karnataka. In case the bidder is an individual, he should possess a minimum qualification of Diploma in Electrical Engineering recognized by the Government of Karnataka and in case of firms, the proprietor should possess a minimum qualification of Diploma in Electrical Engineering recognized by the Government of Karnataka or a person with a minimum qualification of Diploma in Electrical Engineering recognized by the Government of Karnataka should be in his employment apart from the staff in shift duties.
- b. Other things being equal, Bidders with the following shall get preference:**
 - I. Engaged in construction of KPTCL Station as a Turn Key contractor and should have completed at least one Station successfully.**
 - II. Engaged in construction of KPTCL Station as a Labour Contract and should have completed at least one station successfully.**
 - III. Should have a minimum experience of one year in Shift duties of KPTCL station as a contractor.**
 - IV. Should have a minimum experience of three years in Shift duties of 33/11kV stations of ESCOMs as a contractor.**

In case, bidders in Category I, II, III & IV mentioned above quote the same rate and the existing contractor who is maintaining the particular station also quotes at the same rate as that of Category I, II, III & IV, then the station shift duties shall be awarded to the existing contractor and in case the existing contractor does not take up the award then selection shall be done by drawing lots without giving any priority among Category I, II, III & IV.

2. The prospective bidders can download blank tender documents from e-procurement portal free of cost either by logging on to www.kptcl.com with hyperlink 'e-Procurement' or to <https://eproc.karnataka.gov.in>. However, for participation in the bidding process, they need to pay the tender processing fee and the bid security as prescribed by the e-procurement portal.

3. The bidders shall submit all the documentary evidences/supports in respect of qualifying requirements and other requirements through electronic mode only within the stipulated time. Failure to furnish the documentary evidences / credentials / supports electronically would result in outright rejection of their offers.
4. The Tender form of qualified agencies will be opened on_____ as stipulated in the tender notification document. The tender form will be opened at the office of the undersigned in presence of the bidders who choose to be present.
5. Contractors are requested to submit the list of Stations specified in 1(b) above and furnish a declaration in this regard. The number of Stations' shift duties already awarded by KPTCL/ESCOMS at the time of submitting Tenders should also be furnished. Any false declaration furnished by the Contractor/firm found at a later date, will result in termination of contract apart from recommendation to the Inspectorate Authorities for cancellation of the license. The awarded contractor shall carryout the assigned duties and in case of failure to do so, will result in termination of contract apart from recommendation to the Inspectorate Authorities for cancellation of the license. The intending Contractors are required to note that they should abide by the detailed instructions and conditions of the Tender Documents. The tenderer should produce a certificate to the effect that the tenderer possesses the list of Tools and equipments indicated in Departmental Manual No.KPTCL-2/SD/April 2001.
6. Any clarifications, if necessary, can be had from the office of the undersigned, during office hours on all working days prior to the date of opening of Tender.
7. The successful Tenderers are not eligible to be awarded more than four stations (either 220KV or 110KV or 66KV or any combination) in KPTCL at a time.

NOTES TO TENDER NOTIFICATION

1. Tenders shall be uploaded in the stipulated form. The name of the tenderer should be distinctly noted and signed. If, it is in the name of the firm, it should be signed by the authorised representative of the firm who shall also sign and write his name.
2. **The Contractor shall quote individually the rates for each Station** in figures and in words in the Tender – Annexure – 3 (enclosed) and the same shall be valid for 180 days from the date of opening of the tender. On the request of the bidder, KPTCL may extend the validity of the bid. The rates quoted should include provision for payment of incidental expenditures or any other expenditure that may be incurred by the Contractor as per any rule or statutory regulation of State or Central government.
3. Conditional Tenders will not be accepted and will be rejected summarily. Each Tender shall be accompanied by bid security (EMD) amount of **Rs.13,500/-** and shall be paid through e-payment mode of e-procurement portal. Any other form of payment will not be accepted. Unsuccessful Tenderer's EMD will be refunded & returned after finalisation of the tender. The Successful Tenderer's EMD will be discharged upon furnishing the Performance guarantee of **Rs.1,34,400/-** through DD or Bank Guarantee of **Rs.1,34,400/-**.
4. The successful Tenderer shall deposit **Rs. Rs.1,34,400/-** (Rupees One lakhs thirty-four thousand and four hundred only) in Cash / Demand Draft as Performance guarantee or furnish a Bank Guarantee of **Rs.1,34,400/-** as performance guarantee to ensure due performance of the Contract within 15 days from the date of letter of award. The performance bank guarantee will be discharged without any interest after 30 days from the date of expiry of the contractual period. The performance bank guarantee shall be valid for a period 30 days more than from the date of expiry of the contractual period. No interest shall be

payable by KPTCL on the EMD and Performance guarantee under any circumstances.

The bidder shall sign and return the LOI within 7 days of its date to signify acceptance of the contract. All the stipulations in the LOI shall be fulfilled within the stipulated period failing which KPTCL reserves the right to cancel the offer and forfeit the EMD deposited by the bidder.

The Contractor/Tenderer shall prepare a detailed Shift and operation schedule and finalise the same with the prior approval of the Executive Engineer Elec., TL&SS Division, (Incorporate office address) as per the requirement.

5. The successful Contractor shall bind himself to abide by the rules and conditions in force and shall execute a necessary agreement **in a Non Judicial Stamp Paper of Rs.200/-** value as per Format No. 3 (enclosed) within 15 days from the date of LOI, failing which KPTCL reserves the right to cancel the offer and to forfeit the Earnest Money Deposit. Further the station shift duties may be entrusted to the next lowest Tenderer, at the L-1 rate at the discretion of KPTCL. The final acceptance of any tender will rest with the **Superintending Engineer (Elec.), W&M / M Circle.** _____
_____ (Incorporate office address).

6. All corrections & overwriting should be duly attested by the Tenderer while submitting Tender.

7. Other conditions of the Contract are as per KPTCL Norms.

8. **The bid of the Contractor shall be accompanied with the following:**
 - a. Name of the firm/Contractor.
 - b. Licence No. and Validity of the Licence. (Xerox copy duly attested should be enclosed)
 - c. Details of EPF and ESI Code number assigned by the concerned authorities along with the relevant documents.

- d. The tenderer should furnish the details of previous experience of this nature of station shift duties done if any, duly supported by copies of documents, and performance certificates issued by the concerned **Executive Engineers (Elec.), TL&SS of KPTCL.**
 - e. Consent letters of the proposed shift staff and their medical certificate from Govt. Doctor on their general health and suitability for shift duties before taking up the duties in the station.
 - f. Any other licenses / permits required under the State / Central Act applicable to the contractor.
9. The wages to the workers engaged by the Contractor for shift duty shall be notified from time to time.
10. The Contract is liable for termination by KPTCL by giving one-month notice in the event of breach of contract or non-performance or improper performance of the duties to the satisfaction of KPTCL Engineer in charge.
11. The successful Tenderer/Contractor shall carry out the Shift Duties in the manner applicable in the Corporations' Schedule of duties (the list of duties to be carried out is broadly indicated in Annexure '2').

For any damage caused to the station equipment on account of negligence and willful act, the Contractor/ firm shall be directly responsible to compensate the Corporation for such damages/losses.

12. The Contractor shall have Insurance Coverage to his workers to meet any liability arising under Workmen Compensation Act or under any decree etc., against all risks including against electrical & mechanical accidents while performing shift duties and operations. The Contractor or his staff are not eligible for any compensation from KPTCL in this regard. It shall be the sole liability of the Contractor only.
13. The Contractor shall ensure that all the personnel engaged by him are adequately trained in the use of Fire Fighting Equipments maintained in

the Station and the contractor shall provide the fire-fighting certificates from the recognized agency before taking the work.

14. The Contractor shall maintain all the Fire Fighting Equipments of the Station properly. Consumable items in this respect shall be provided by KPTCL. The contractor shall produce the fire-fighting certificates from the recognized agency before taking the work.

15. The Contractor shall properly maintain all the necessary FIRST AID KITS in the Station and should ensure that all the personnel engaged by him are adequately trained in administering First-aid services in case of emergencies.

16. The Contractor shall provide all the personnel engaged with color Photo Identification Card duly signed by the concerned Executive Engineer and the Agency within two weeks from the date of the award of the Contract and ensure that the shift staff should always wear the Photo-Id on duty. The Agency shall display the Shift chart indicating the names of staff on shift along with their color photos in the notice board of the Sub-Station. In case of any change of personnel, the same should be intimated to the concerned Superintending Engineer Elecl., W&M/M Circle within three days of such occurrence.

17. The Contractor shall ensure that all the personnel engaged by him should be capable of handling and rectifying normal trouble shooting QUICKLY and EFFICIENTLY so as to keep the duration of interruption at the barest minimum levels.

18. The Contractor shall ensure that all the personnel engaged by him have sound knowledge regarding 'PERMIT TO WORK SYSTEM' and 'ACCIDENT REPORT' procedures as per the prescribed proforma. The Contractor should issue and receive work permits observing all safety measures and intimate the same to immediate supervisory officer in KPTCL.

19. For the acts of negligence/mal-operation /deliberate acts of misconduct by the personnel engaged by the Contractor, the Contractor is liable to pay penalty. The Contractor can offer his explanation for consideration by Review Committee of Executive Engineer (Elec.), TL&SS/ Superintending Engineer (Elec.). W&M/M Circle.

The Contractor may further appeal to the concerned Chief Engineer Electy., (Transmission) for final decision on payment of penalty levied by Review Committee. The decision of Chief Engineer Electy (Transmission) in this regard shall be final and binding.

20. The Contractor shall ensure meticulous observance of the HEALTHINESS of Station auxiliary, AC & DC system of the Station.

21. The Contractor shall 'STRICTLY ADHERE' to the schedules prescribed by KPTCL in carrying out routine SHIFT, OPERATIONS as well as HOUSE KEEPING DUTIES and shall be punctual in recording equipment wise works carried out in the assigned register / log books etc, which shall be available for inspection by KPTCL Authorities.

22. The Contractor shall maintain 'OBSERVATION' and 'INSTRUCTION' Registers for effective communication between his Shift Staff.

23. The Contractor shall diligently record all the details of Station Operations in the logbook, kept for the purpose in the Station.

24. Period of Contract:

Period of Contract is for one year and may be extended for second year or part thereof, if the performance is satisfactory, but entirely at the discretion of the concerned Zonal Chief Engineer Electy., KPTCL. If Contract is not extended prior to the completion of contractual period, the contract ceases automatically forthwith without any further notice.

25. The Contractor shall ensure that each batch of the personnel shall do one shift per day of eight hours each. If, it is noticed that a member of the batch or the batch as a whole does more than one shift per day, the Tender awarded to the Contractor is liable to be terminated.

26. The Contractor shall ensure that specified numbers of staff are maintained throughout the Contract period. In case of less number of staff found working, proportional wages shall be cut in the bill and the contract shall be liable for termination.
27. No break in the shift duty is allowed. The shift staff should continue the shift duties till his reliever assumes charge.
28. Contractor shall alone be responsible for paying monthly wages to his employees before 5th of each month. The contractor shall pay the monthly wages to the employees engaged by him only through cheques by depositing the necessary amount to their Bank accounts opened in each employees name and produce the copies of cheques through which payments were arranged together with his bills claiming the tender amount for the subsequent month regularly.
29. The Contractor shall have qualified and experienced personnel at their disposal, and the name, qualification, experience of persons to be engaged should be noted in the Blank Form. The staff engaged by the contractor to a particular Sub-Station should not work in any other Sub-station. If it is found otherwise, such staff will be barred from working in any of the Sub-station in KPTCL and the Contract would be liable for termination.
- 30. The Contractor shall submit the list of candidates at the time of bidding along with relevant documents like Xerox copy of final year marks card / degree certificate / diploma certificate / ITI / ITC / JOC / SSLC or 10th standard marks card / experience certificate if any while applying to the tender. Contractor should at least furnish a list of 150% of the number of required personnel so that the tender approving authority will select the candidate from the list furnished. The Contractor can also furnish details of fresh graduates / diploma holders possessing the relevant degree / diploma certificates at the time of tender.**

31. The Contractor whose work is not satisfactory and in whose tenure electrical accidents (attributable to the contractor) have taken place will not be considered for future tenders.
32. The minimum rate of the tender should be worked out by the Contractor/Tenderer considering the following:
- a) Wages to be paid to the Shift Engineers and Helpers with other Statutory Payments required under Law such as, contributions towards EPF, ESI, Statutory charges and any other charges, etc.
 - b) House keeping charges and any other charges.

The amount payable per month to the contractor for the services rendered shall be minimum of **Rs.1,12,000/-** for 110KV or 66KV Station, which shall include all expenses including wages, ESI, EPF, taxes, statutory charges, etc and any other charges. Any tenderer quoting less than this will not be considered.

33. The Contractor shall provide all the personnel engaged by him with Uniform and shoes to be worn while on duty.
34. No Contractor shall be eligible to be awarded to handle more than four Stations in KPTCL at a time (either 220KV or 110KV or 66KV or any combination).
35. In case bidders in Category I, II, III & IV mentioned in 1(b) of 'Instructions to Bidders' quote the same rate and the existing contractor who is maintaining the particular station also quotes at the same rate as that of Category I, II, III & IV, then the work shall be awarded to the existing contractor. If the existing contractor does not take up the award, then selection shall be done by drawing lots without giving any priority among Category I, II, III & IV. If the first short listed bidder chosen by lot does not agree to take up the work, then
- a. The subsequent short listed bidders chosen by lot shall be offered to take up the work and so on till the last short listed bidder.
 - b. Action shall be initiated on bidders who do not accept the award to forfeit the EMD and / or to black list them from participating in any

type of tenders called by KPTCL for a maximum period of five years after issuing a show cause notice and considering their reply if any.

c. To offer L2 bidders to take up the work at L1 rate or at negotiated rate.

36. (a) **The successful contractor shall provide the list of candidates (finalized by the tendering authority) who will be in shift for particular station, certified Xerox copy of Adar or Voter ID card along with the agreement. They should also furnish back to back agreement signed by candidate with the contractor indicating the amount of salary that is going to be deposited and details of EPF and ESI which will be deposited in their account.**
- (b) **The contractor shall provide candidates bank account nos, EPF and ESI account numbers in back to back agreements.**
- (c) **The contractor shall provide guarantee that the person provided will serve for at least one year.**
37. The successful contractor/bidder shall enter into an agreement as per the format enclosed herewith KPTCL.

Superintending Engineer Elecl.,
W&M/M.....Circle

FORMAT:

AGREEMENT

This Agreement made this Day of between Karnataka Power Transmission Corporation Limited, a Company incorporated under the Provisions of Companies Act which is having its Registered Office at Kaveri Bhavan, Kempegowda Road, Bangalore, hereinafter called “KPTCL” and M/s a firm of Electrical Engineers, having their office at here in after called “THE CONTRACTOR”.

Whereas the KPTCL has established a 110KV or 66KV Station for the purpose of improving the system and provide better voltage conditions in the area and the Station has been commissioned, the Station has to be continuously manned by qualified Personnel for properly maintaining it.

Whereas the KPTCL is desirous of entrusting the shift duties and carrying out operations of Station round the clock to qualified Contractors who possess valid Class-1 and above Electrical Contractor License issued by Government of Karnataka, and who possess qualifications such as, a Degree / Diploma in Electrical Engineering from a recognized University / Institution of the State ;

Whereas the ‘Contractor’ has offered to the KPTCL through his letter dated offering the services for carrying-out Shift Duty of the above Station, round the clock, all the Seven Days in a week of the contract period and attend to the duties on the terms and conditions specified in the Tender Notification No.dated & notes to tender notification, duties and responsibilities of the contractor and all the Annexures to the said tender notification.

Now, therefore, this agreement witnesseth as follows :-

1. The Contractor hereby agrees to execute, fulfill and discharge the duties, obligations and responsibilities hereinafter provided, in the manner agreed, to the entire satisfaction of the KPTCL.

2. The Contractor agrees to carryout shift duties and efficiently operate station round the clock on all days in the week during the contract period and attend to the station shift duties by engaging qualified Engineers and helpers in accordance with the directions and specific Instructions given in this behalf from time to time and as per standard norms and practices of Electrical Engineering.
3. The Contractor agrees for payment of Rs.....(Rupees) per month only, by KPTCL which is inclusive of all remuneration, taxes, statutory charges, etc., and any other charges for the services rendered by the Contractor. On no account, any further amount shall be payable to the Contractor.
4. The Contractor agrees for the Period of Contract as for ‘one year’. If the performance is satisfactory, KPTCL at its discretion may extend the contract for one more year or part thereof. If Contract is not extended to the completion of initial one year, the contract shall stand terminated automatically without any further notice after the expiry of the contract period.
5. The Contractor agrees not to sub-lease this work to any other person/ agency and if, it is found that this work has been sublet, then the work award shall stand cancelled automatically at the cost of Contractor and Contractor is not entitled to any damage/compensation on account of such termination.
6. The Contractor agrees to maintain proper records and books and daily log, etc., of the Station as prescribed from time to time.
7. The Contractor agrees to co-ordinate the said work with that of KPTCL Officers and Engineers as per directions given.
8. The KPTCL will have a privacy of contract only with the “Contractor”, it will have nothing to do with the workers engaged by the contractor and their conditions of employment etc.,

9. The Contractor agrees for due observation and implementation of Statutory Conditions or requirements under Labour Laws applicable and persons engaged at cost.
10. The Contractor agrees to maintain the records for having remitted the EPF and ESI contributions in respect of workers engaged and produce the copies of challans towards payments made duly furnishing the Code numbers assigned by the concerned authority to KPTCL while claiming the Tender amount every month.
11. The Contractor or the Contractor's workers are permitted to work at the premises/Stations belonging to the KPTCL and they shall have no right or lien upon the premises. The Contractor with all personnel engaged for this purpose agrees to vacate the Station on termination of the contract.
12. The Contractor agrees to possess & maintain the following T & P materials:
A good rechargeable torch with cells (visibility 50 feet), Spanner set Ring / DE, Screw Spanner– 1 No. Screw Drivers of sizes one set, Rain Coat – 3 sets, Cutting Plier – 2 Nos, 2 pairs of rubber hand gloves tested to 15kV, hand hammer, mortar pan, munties, multimeter, crowbar 4' length, Test lamp / Hand lamp.
13. The Contractor shall provide consumable items like Dettol, torch cells, PVC insulation tape, cotton waste, cheese cloth, petroleum jelly, phenol, First aid kit, broom sticks, fuse wires, HRC fuses on LT side at Contractor's cost throughout the contract period.
14. The Contractor agrees to deploy the following staff for carrying out Shift Duties.
 - (a) Shift Engineer Gr-II - 4 Nos.
 - (b) Shift Helpers - 4 Nos.apart from house keeping staff.
