

KARNATAKA POWER TRANSMISSION CORPORATION LIMITED

Corporate Office,
Kaveri Bhavan,
Bangalore-560 009.

Sub:- Decentralizing powers to CEE of Transmission Zones to approve non-DWA items such as crop / tree cut compensation charges, statutory charges like PTCC, Railways, BSNL, forest clearances, charges payable to Civic authorities etc.– Reg.

Read:- This office Order of even No. Dt.30.06.2003 in respect of approval of final variations of works.

Preamble:- Presently the authority who awards turnkey contracts for construction of transmission lines and stations are empowered to approve total variation up to and inclusive of +10%.. If total variation exceeds +10%, Functional Directors / CPC are empowered to approve such variations.

The matter of arranging payment of increase in crop / tree cut compensation as per actual against the provision made in the DPR is examined in detail and decided to decentralize powers to CEE of Transmission Zones to approve non-DWA items such as crop / tree cut compensation charges, statutory charges like PTCC, Railways, BSNL, forest clearances, charges payable to Civic authorities etc., up to 50% in excess of the original provision made in the approved DPR.

Order No. KPTCL/B19/345/85-86 Bangalore dated : 20.08.2014

Henceforth the powers to approve

- (1) Variation in quantity of materials and civil works provided in DPR / DWA.
- (2) Variation in non-DWA items provided in DPR.

1. Variation in quantity of materials and civil works provided in DPR / DWA.

Sl No	Civil & Electrical Works	Managing Director	Director(Trans.)	All CEEs (Trans.)	All SEEs(Trans.)	All EEs MWD
1a	Deviation in route	Full Powers	Upto 50% over the quantity in the estimate sanctioned or 20% excess over the accepted tender value whichever is higher.	Upto 30% over the quantity in the estimate sanctioned or 15% excess over the accepted tender value whichever is higher, provided the total cost of work is within his powers of sanction to estimates.	Upto 20% over the quantity in the estimate sanctioned or 10% excess over the accepted tender value whichever is higher, provided the total cost of work is within his powers of sanction to estimates.	Upto 10% over the quantity in the estimate sanctioned by himself or 5% excess over the accepted tender value whichever is higher, provided the total cost of work is within his powers of sanction to estimates.

EE (IT) / 21/8/14

1b	Soil classification differs
1c	Change in Earthmat design / Additional Earthmat
1d	Extra materials which are not provided in the DPR	Full Powers	Upto 30% above SR, provided the cost of the extra material does not exceed 50% of the sanctioned estimate.	Upto 7.5% above SR, provided the cost of the extra material does not exceed 10% of the sanctioned estimate.	Upto 5% above SR, provided the cost of the extra material does not exceed 7.5% of the sanctioned estimate.	At SR, provided the cost of the extra material does not exceed 5% of the sanctioned estimate.

2. Variation in non-DWA items provided in DPR.

Sl No	Non-DWA items in DPR	All CEEs (Trans.)
1	Non-DWA items such as crop / tree cut compensation charges, statutory charges like PTCC, Railways, BSNL, forest clearance, charges payable to Civic authorities etc (as per tender conditions).	Upto 50% in excess of the original provision made in the approved DPR.

The authority who places orders on turnkey contractors for construction of transmission lines and stations is empowered to approve total variation up to and inclusive of +10%, irrespective of variation of individual item exceeding +25% (as above). However, if the total cumulative variation due to any of the above deviation of (1), (2) or work slips at a particular stage of the work exceeds +10%, approval of the Functional Directors shall be obtained by placing before Purchase Committee.
