D.O. No. 23-71/2009-HSMD

August 02, 2010

Dear Sir,

I am writing to you regarding the issue of safe disposal of electronic waste. Electronic waste is one of the fastest growing waste streams in the country.

2. The Ministry of Environment and Forests has notified the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008 for proper management and handling of hazardous wastes, including e-waste. It is essential that e-waste generated in various offices is disposed of in an environmentally sound manner in accordance with these Rules. As per these Rules, the occupier has the responsibility for safe and environmentally sound handling of such wastes generated in their establishments.

3. Further, the units handling and engaged in activity like collection, segregation, dismantling and recycling of e-waste are required to register with Central Pollution Control Board (CPCB). At present, there are 16 dismantlers/recyclers registered with CPCB. A list of registered recyclers is enclosed and is also available on the website of CPCB. (<http://www.cpcb.nic.in/divisionsofheadoffice/hwmd/e-Waste.pdf>).

4. I would, therefore, request you to kindly instruct all establishments under your Ministry to auction/sell the e-waste generated in their office complexes to registered recyclers only.

With regards,

Yours sincerely,

Vijai Sharma  
(VIJAI SHARMA)
