Date : 17-10-12

Sub: Collection of fee for conducting Power System Study to formulate power evacuation schemes from the upcoming power projects of Independent Power Producers (IPPs) including NCE sources like Windmills, Mini Hydro and Biomass generation.

Ref: 1) Note No. CEE(TA&QC)/SEE(Plg)/EE(Plg)/KCO-93/46511/F-607 dated:
02.07.2012 from CEE (TA&QC), KPTCL.
2) Note No. B28(a)/32541(B)/12-13 dated: 31.08.2012

PREAMBLE:

KPTCL is conducting feasibility study for the proposals of establishing new 220kV stations, Major Generations, Major Transmission lines and also for evacuation of power from the upcoming power projects of Independent Power Producers(IPPs) including NCE sources like Windmills, Mini Hydro and Biomass generations. KPTCL is conducting these studies purely based on the request of IPPs by collecting fees. The system study will be conducted taking into consideration the total power system of southern region (i.e interconnected system only). Presently there are no uniform charges for the Power System Study being conducted by KPTCL. In order to have uniformity in collection of fees, the charges have been worked out considering the works involved, man hour charges and the Software being used in conducting the Power flow study by KPTCL and maintenance of Software. The proposal put up by CEE(P&C) in this regard is examined and accepted.

Hence this order.

Order No. KPTCL/B28(a)/32541(B)/12-13

Dt: 17.10.2012

Approval is hereby accorded to collect the following charges from Independent Power Producers in connection with the feasibility study being conducted by KPTCL while formulating evacuation schemes in respect of power projects of Independent Power Producers including NCE power based projects.

P.T.O.

EE(S)
