Dated: .

CIRCULAR

F 1 OCT 2014

Sub:- Disposal / clearing the long pending court cases in respect of KPTCL ongoing works-Reg.

Ref:- Proceedings of the Meeting held on 08.08.2014 chaired by the Managing Director KPTCL, to review the status of ongoing works and financial progress of Bangalore Zone.

Managing Director, KPTCL has reviewed the progress of ongoing works of Bangalore Transmission Zone on 08.08.2014 at Kaveri Bhavan, Bangalore wherein it is observed that for certain works there was no progress due to pending court issues. The court cases are long pending and in few cases, the first hearing itself was not held. The projects which are pending due to court cases are the major one. The delay in completion of works results in to financial burden and lacks in meeting future load demand. In order to speed up early disposal of court issues in favor of KPTCL within the prevailing norms of IE Act / KPTCL, Transmission Zonal Chief Engineers are to pursue court cases instead of depending upon Corporate office for all issues. Guidance of the Legal section be taken whenever required. The Law section under HRD of the Corporate Office should monitor and co-ordinate all the legal cases and guide if necessary.

The Accounts officers of the Major Works Divisional offices are responsible to pursue all the legal issues/Court cases with Board Advocates. The concerned Executive Engineers Electrical shall have to give the necessary technical inputs to the Accounts officer and the concerned Superintending Engineer Electrical shall have to monitor the same every 15days. Personal responsibility will be fixed on concerned officers for failure to pursue cases.

Sudha 11/10/14
Deputy General Manager (Technical),
KPTCL

To:

- All the Chief Engineers, Electricity, KPTCL.
- All the Financial Advisors, KPTCL.
