**CIRCULAR**

**Sub: Inviting Consolidated Tender on Rate Contract basis for Plante Type Batteries.**

**Ref: Proceedings of the Combined Central Purchases Committee Meeting of KPTCL held on 07<sup>th</sup> January 2017.**

Central Purchases Committee at its meeting held on 07.01.2017, during discussion of the subject No. CPC/Trans/BGKT/83/03 noticed that in the tender for Design, Manufacture, Testing, Supply, Erection and Commissioning of 25 no's Lead acid type 110V 100AH Battery Sets with plante positive plates on buy back of old Battery sets in Transmission Zone, Bagalkote, M/s Exide Industries Limited, Bengaluru was the Lone bidder.

Further, the Committee noted that, the Plante Type Batteries are being procured across the Zones & M/s Exide Industries Limited, Bangalore being the only Bidder found against all Enquiries. Hence, PC opined that CEE (T&P), KPTCL, Bangalore may consolidate the requirement of Plante Type Batteries of all Transmission Zones & float a Tender on Rate Contract basis.

Hence, to avoid multiple Zonal Tenders for the same item and as decided in PC, Zonal CEEs shall furnish the requirement of 220V 300AH & 110V 100 AH Lead Acid Type Battery Sets with Plante Positive Plates to CEE(T&P) KPTCL, Bengaluru. CEE (T&P) in turn shall consolidate the requirement of Batteries of all Transmission Zones & float a Consolidated Tender on Rate Contract basis for the requirement for 2 years.

The above instructions shall be followed scrupulously.

  
Deputy General Manager (Tech)  
KPTCL

Copy to:

1. All the Chief Engineers, Electricity, KPTCL.
2. All the Financial Advisors, KPTCL.
3. All the Superintending Engineers, Elecl., KPTCL.
